dispatched from bleberose carried menaguarters units of the Fourth Gds Necz Army, probably including a component of the 312th Gds RL Regt on the second train. It is possible that the departing and arriving units were some of those components of the Fourth Gds acz Army which went to Justerbog for training cycles.

the unit being loaded may nave been the Zooth Gds and negt of the 7th Gds Necz Div.

The replacement of German female our loves he Soviet women has been reported previously.

The information confirms the components of the 7th Gds Necz Div at the Lieberose troop training grounds until 6 September 1951.
